Keio Communication Review

International Journal of Journalism, Media and Communication

Submission of Manuscript

Authors should retain one copy of their typescript and send an electronic version of your manuscript to the Editor-In-Chief as well as to the Associate Editor.

<CONTENT>

Original research article, research note, book review that have to do with journalism, media and communication in Asia and beyond.

<DEADLINE>

September 30. Those whose mother tongues are not English must ask a native speaker of English to check their English before submission. Those who cannot find an appropriate native speaker consult us by September 10.
